Nancy Wynne Speaks of Some Handsome Gowns Seen Recently in Town-She Talks of the Flower Market to Be Held This Week in Rittenhouse Square

Do you know I think these canton creepe frocks that the women are late them for you, but those of you who have yearing this year are simply exquisite. I saw Phoebe Adams Harding one day are up in the meaning of various descent work (she was evidently going to last week (she was evidently going to last they are new to me, so I cannot translate them for you, but those of you who are up in the meaning of various degrees will understand them and so I will tell you what they are: L. R. C. P. M. R. C. S. and J. P.

A great many women are interested in the luncheon today, and you know how many belong to the society, Mrs. Bradbury Bedell and Miss Kitay Biddle, both of whom died in the last two years, were ardent workers in the society.

Do You realize that we have the Plower Market this week in Rittenhouse Square? If you have walked through there of late you have probably exclaimed at the exquisite beauty of the square now that the trees are fully out and the rhododendrons are beginning to bloom. I was walking through there the other day and I said to myters the other day. and after the salad had been taken from the table grandma leaned forward and rested her arm on the table.

"Libows off the table, grandma!" Said Nellie, "Libows off the table, grandma!" Nellie, "Well, the people see know don't do it."

DID you know that Florence Hopkinson is going to tell fortunes? Well, she is; that is, read bands; and she does tell you lots of things about yourself that she learns from your hand that are almost uncauny. She's made a study of palmistry, you know, and she reads character through this knowledge. Of course, she does not attempt to tell future stuff, but she certainly does know a lot about it.
